

Dear Families,

Upon completion of a school library book, pupils are able to complete a book quiz on the platform **Accelerated Reader**. This is a valuable tool in improving pupil's reading comprehension.

In order to access this, there is a link on your child's class page.

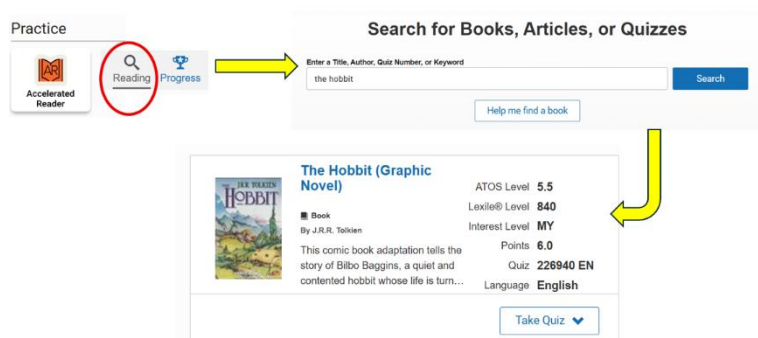

When they logon to their Renaissance account, they will have the option to select 'Accelerated Reader' as per instructions below.

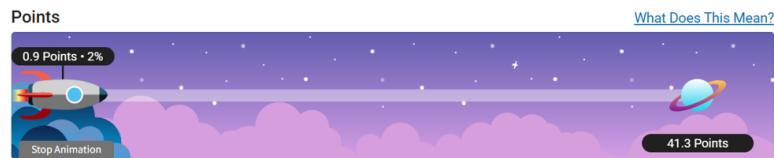

Pupil logins are in the back of reading records. The username is made up of lowercase first 3 letters of first name, first 3 letters of surname. All passwords are 123.

Eg. John Smith
Username: johsmi
Password: 123

Accelerated Reader Quizzes

When children complete these quizzes, the programme will keep a running total of their progress towards their target.

Each week, we will celebrate the children's achievements and recognise those who are topping the leader boards. **Children will not be able to change their library book until they have completed the reading quiz achieving at least 80% accuracy.**

If there any issues with completing book quizzes at home, pupils will be able to complete them at school at break or lunchtime, providing teachers can offer supervision.

Thank you for supporting your children with this valuable tool.
