Dear Parents/Carers,

Infants Trip to RAF Hendon 6th May 2026

To complement our summer term history topic, 'How we learnt to fly', we have organised a visit to RAF Hendon, a museum dedicated to flying machines. As well as having the chance to explore the museum, the children will also participate in a workshop - Fantastic Flight - where they will learn in more detail how flight has developed over the decades from a scientific and historical viewpoint.

We will be travelling by coach, leaving at 8.45am and returning to school for 3.15pm.

Children will be required to wear their school uniform and ensure they have had suncream on, have a hat and a raincoat should the weather require it.

Your child will need a packed lunch as the trip is all day. If you are entitled to free school meals, we will be in touch with you separately.

We will require consent to take the children on the trip, children without consent will not be able to accompany us.

We are asking for a contribution of £16.80 towards the cost of the trip.

What do I need to do?

- Make payment of £16.80 via Arbor.
- Consent for your child via Arbor.
- Email office@stmarys-maidenhead.org.uk if there have been any recent changes to your child's medical history.
- Complete all the above no later than 23.2.26.

Your sincerely

The infant Team
