Grated Vegan Cheddar Style Cheese

Our Grated Mature Cheddar style Sheese is a handy dairy free alternative to cheese that sits alongside our block and sliced varieties. Like our other Sheeses, it's made with coconut oil and is perfect for people with specialist diets such as vegan, kosher and lactose intolerance. If our Mozzarella flavour ISN'T strong enough for you then we think this one will please your taste buds! It can be used on pizza or in toasties, but it's also great sprinkled over vegetables like broccoli and cauliflower as is, or try melting it into cheesy sauces and enjoy over your vegetables, for a really savoury treat. Try adding it to vegetable pies for a delicious cheesy flavour too, or melting it over Mac 'n' 'Sheese for that extra tang that cuts through other flavours wonderfully.
