

St Mary's Computing Overview – Reception from September 2021 Revised Early Years Framework

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas. The aim of this document is to help subject leaders to understand how the skills taught across EYFS feed into national curriculum subjects.

This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for computing within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for computing.

The most relevant statements for computing are taken from the following areas of learning:

- Personal, Social and Emotional Development
- Physical Development
- Understanding the World
- Expressive Arts and Design

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
	Computer Discovery Mouse and Keyboard Skills – Part 1	Mouse and Keyboard Skills – Part 2 Early Digital Music – Part 1	Early Digital Music – Part 2 E-Safety	Digital Literacy and Numeracy Digital Photos and Video	Digital Art and Design	• Early Programming
