CV-19 attendance

Please help us to keep our school open for face to face learning by following the local area attendance guidance:

What to do if…	Action Needed	Return to school when…
…my child has COVID-19 symptoms. For symptoms please see the NHS website: https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/	**- Do not send your child to school.** **- Contact school to inform us.** - Any household members over 18 and 6 months and not fully vaccinated should self-isolate for 10 days - Your child and all family members should get a PCR test. **- Inform the school immediately about the test result.**	…the test comes back negative **or** a period of 10 days has passed since the symptoms started, and the child feels well.
…my child tests positive for COVID-19.	- **Do not send your child to school.** **- Contact school to inform us.** **- Agree an earliest date for possible return (minimum of 10 days).** - Any household members over 18 and 6 months and not fully vaccinated should self-isolate for 10 days - Other household members should get a PCR test if they have not already done so.	…10 days have passed since symptoms began, even if they still have a cough or loss of taste/smell. *(These symptoms can last for several weeks.)* **AND** the child feels well.
…my child tests negative.	- **Contact school to inform us.** - Discuss when your child can come back (same day/next day).	…the test comes back negative.
…my child is ill with symptoms not linked to COVID-19.	- Send your child to school if they are well enough. **- Contact school to inform us if your child is not well enough.** - Ring on each day of illness.	…after 48 hours following the last bout of sickness or diarrhoea.
…someone in my household has COVID-19 symptoms.	- Send your child to school provided they have no symptoms **- Contact school to inform us.** - The household member with symptoms should self-isolate and get a PCR test. They should NOT leave the house until they receive the result. This includes doing pick-ups and drop offs *(please contact school if you need support getting your child to school).* If the test result is positive, they should self-isolate from the day the symptoms started and the next 10 full days	…your child can continue to attend school.

	- Inform school immediately about test result.	
…someone in my household tests positive for COVID-19.	- Send your child to school provided they have no symptoms - **Contact school to inform us.** - The household member who has tested positive should NOT leave the house, including to do pick-ups and drop offs *(please contact school if you need support getting your child to school).* - Any household members over 18 and 6 months and not fully vaccinated should self-isolate for 10 days	…your child can continue to attend school.
…NHS test and trace has identified my child as a contact of someone with COVID-19.	- send your child to school provided they have no symptoms. - **Contact school to inform us.**	…your child can continue to attend school.
…NHS test and trace has identified a household member (other than my child) as a close contact of somebody with symptoms or confirmed COVID-19.	- **The household member must self-isolate for 10 days.** - Your child can continue to attend school.	…your child can continue to attend school.
…my child's bubble is closed due to a COVID-19 outbreak in school.	- **Child must not come to school.** - Support your child at home with remote education on Teams. - **Other siblings may continue to attend school.**	…school informs you that the bubble will be reopened.
