

ST MARY'S CATHOLIC PRIMARY SCHOOL

Learning and loving on our journey with Jesus

Stewardship, Teamwork, Agape, Respect

Term 3, Week 3 Friday 21st January—St Mary's Catholic School Newsletter

Dear Parents and Carers,

This week, in our Gospel assembly (John2:1-11) we reflected on the Jesus' first miracle, changing water into wine at a wedding in Cana. The children were asked to think about how they could make a real difference to someone during week. I am pleased to share that our staff have seen plenty of displays of Stewardship and Agape this week, with lots of children supporting and helping one another. I have been particularly proud of Sienna and Harriet (UJ), as well as Pamela (LJ), showing true friendship, supporting others this week.

Uniform

There are still a some children wearing their own sports clothes to school. It is important that the children are wearing the correct PE kit, which can be found on our website. If there are any problems, please email the class teacher via the school office, so that we can help.

Prior to attending an after school club, children are **not** permitted to wear their PE kit / football kits during the day. They will be provided with a space to change into their kits before they start their club.

Drop off and pick up

Thank you to you all for adjusting to our new morning and evening routine. Please ensure that your child is in school at the by **8.50am**.

- The gate will be open to all children from 8.40-50am. Parents of children of Early Years and Infants are permitted to walk their child around to their classroom door.
- 3.10pm - the gate will open for parents to pick up their children from the playground.
- 3.15pm –Early Years and infants will be dismissed onto the playground.
- 3.20pm - Lower Juniors are dismissed from their classroom doors and Upper Juniors are dismissed from the playground.

Parents are responsible for their child once they have been dismissed from their teacher. We ask that the children stay off the play equipment, and refrain from busy playground or ride their scooters on the school premises.

For the safety of our children, a polite reminder, that no cars are allowed on site at drop off and pick (unless you have a prior arrangement with the school).

Tree planting

Last weekend, Harriet, (UJ) along with her older sister Stephanie and friend Olivia (who both left the school in July) managed to plant 15 trees at the weekend in Ockwells park. That is a fantastic achievement; you are excellent role models living Pope Francis' encyclical Laudato Si - showing care for our common home.

If you are interested in taking part in this, it is not too late. Braywick Centres Planting Plan will take place again next month. It is highly recommend as a really lovely, family activity to do.
