

ST MARY'S CATHOLIC PRIMARY SCHOOL

Learning and loving on our journey with Jesus

Stewardship, Teamwork, Agape, Respect

Term 4, Week 3 Friday 18th March—St Mary's Catholic School Newsletter

Dear Parents and Carers,

On Monday, the children explored Sunday's Gospel - Luke 9:28-36. They heard about an amazing thing that happened to Jesus, which showed the disciples just how important he was. A great change came over him. The children were then asked to think about the changes we can make during Lent. This week they were asked to listen and think about how they could change their life and the lives of others for the better?

Covid

This week, we have experienced a rapid rise in Covid cases, particularly among staff. To protect the whole school community, please do not send your child into school if they are unwell or if they have tested positive for Covid. If your child has Covid, regardless of whether they are feeling well, we ask that they remain at home for 5 days and test negative before returning to school.

I would like to take this opportunity in thanking all the staff who have worked tirelessly this week to support me in ensuring that the school remained opened, despite our staff shortage due to illness.

5G Phone Mast

I wanted to reassure you that work continues behind the scenes to make attempts to have the Phone Mast opposite our school removed. I have been working closely with the Governors and Trust, to see what options are available to us. We have logged a formal complaint with RBWM, requesting a formal investigation into the planning process and a local counsellor has reached out to us, offering his support and knowledge, from supporting other organisations who were in similar positions.

Dates for the diary

23rd & 24th March— Rescheduled Parents Evening (LJ1 &3, I2 & 3) 3.45– 6.20pm
