

ST MARY'S CATHOLIC PRIMARY SCHOOL

Learning and loving on our journey with Jesus

Stewardship, Teamwork, Agape, Respect

Term 4, Week 5 Friday 1st April—St Mary's Catholic School Newsletter

Dear Parents and Carers,

On Monday, Ethiopian director of Partners for Change Ethiopia, Mulugeta Gebru Visited our school. Our school has raised £4000 for the charity, which went towards a new school breakfast club. He shared with us in an assembly how our money has been spent and the children were able to find out more about school life in Ethiopia. During the assembly, brothers Nathan (I2) and Noah (I1) were recognised for their personal fundraising for the charity. This is an example of how our school is committed to helping others who are less fortunate than ourselves, as part of our school value of Stewardship.

Thank you to all in our school community who have supported this charity and Mrs Hurrell for creating the link.

Staff leaver

Mrs Natalie Evans, who has been at the school for over 10 years, is pursuing a new career, working as a Psychological well-being practitioner with RBWM. On behalf of the whole school community, I thank Mrs Evans for her service to St Mary's School and wish her the very best with her new endeavours.

Eco Garden

Here is a picture of some Kale and Cabbages some of children have planted in the Eco Garden with the help of volunteer Mr Mcullogh. We are very grateful to Mr Mcullogh for being so generous with his time at St Mary's every Friday afternoon and we are keen to establish more volunteers to support with working with our children in the garden. In addition, we are in need of some support repairing the chicken pen roof, that was damaged during the storms in February. If you are able to lend a hand volunteering, please email the office with your expression of interest.

CONGRATULATIONS

Last weekend Lacey-Kay (UJ) took part in the Irish dancing, UK British Open Championships. I am pleased to share with you that she came third in the competition. As a result, Lacey-Kay has qualified for the World Championships, which will take place later this year.
