

ST MARY'S CATHOLIC PRIMARY SCHOOL

Learning and loving on our journey with Jesus

Stewardship, Teamwork, Agape, Respect

Term 5, Week 3 Friday 13th May—St Mary's Catholic School Newsletter

Dear Parents and Carers,

May is the
Month of
Mary

In our Gospel assembly this week, Mrs Hurrell reminded the children about the importance of Mary during the month of May. It is an opportunity to ask Mary to pray with us for a special intention. The best way of doing this is by saying the rosary. Next week, we will be honouring Mary through our May procession, allowing us to say thank you to her for bringing us closer to God.

CONGRATULATIONS! We are very proud of all 22 children who made their First Holy Communion at our Parish Church, St Joseph's, last Saturday afternoon. It was a beautiful service and we thank everyone involved in preparing these children for this holy sacrament.

BOOK RECOMMENDATIONS OF THE WEEK

From Mrs Akehurst

If you are looking for something different to read, here are some books I enjoyed reading as a child.

EYFS - Dogger by Shirley Hughes

This is about how a little boy loses his most precious toy, his stuffed dog - his most treasured companion. His family search everywhere for his dog, but ultimately it is the kindness of his big sister who brings the dog safely back.

KS1 - Mrs Pepperpot Stories by Alf Proysen

You might think it a bit inconvenient to find yourself shrinking to the size of a pepperpot, but Mrs Pepperpot has not choice in the matter, it just happens. These stories tell the story of a little old lady with a remarkable secret and show that even the smallest of people can come out on top.

KS2– The Silver Sword by Ian Serraillier

Set in World War II, three Polish children are separated from their parents and left to fend for themselves, hiding from the Nazis in the ruins of their city. It is a moving story of the hardships the children had to endure; showing the knowledge and maturity they gained through their ordeal.

Swimming Pool

Unfortunately due to the cost of oil and chlorine it is not feasible for us to run the swimming pool at St Mary's School this summer. In addition to this, there is significant maintenance work that needs to be completed, to ensure that the Swimming Pool is safe to use.
